**Dec. 15, 2023**

Dear Hudson City School District Families,

I truly hope this message finds you and your loved ones happy and healthy as we embrace the holiday season!

Today, Dec. 15, administration in all three Hudson City School District buildings noticed a significant dip in attendance of students. With the colder weather in full effect and seasonal illnesses floating around, I would like to send a friendly reminder to you all to please keep your student(s) home if they are sick for their wellbeing, and the wellbeing of all in attendance at school.

This weekend, a deep cleanse of frequently used areas, classrooms and surfaces will take place in the District as a precautionary measure by our Building and Grounds staff.

We look forward to welcoming students and staff back on Monday, Dec. 18 with spirit weeks taking place in all buildings for the final week before Winter Recess.

Thank you very much for your time and understanding!

Warmly yours,

Dr. Juliette Pennyman
