June 12, 2024

Dear Montgomery C. Smith Elementary School Families, Faculty and Staff,

At approximately 10 a.m. today, Wednesday, June 12, 2024, the Montgomery C. Elementary School initiated a Hold-in-Place response following a medical emergency involving a staff member inside the building. The staff member was alert and in stable condition upon being treated by first responders.

A Hold-in-Place requires students to stay in their classrooms to keep the hallways clear so first responders can have access without interruption.

At approximately 10:05 a.m. the Hold-in-Place was lifted, and our regular schedule resumed. Please note that instruction was not interrupted during this time.

Additional information on emergency protocols can be found on the Hudson City School District's website at this link:

As always, the safety and wellbeing of our students and staff members is our top priority. Thank you for your support and understanding.

Sincerely,

Dr. Juliette Pennyman
