Dear Hudson City School District Families, Faculty and Staff,

I am writing to you today to inform you that at approximately 10:40 a.m., the Hudson Junior/Senior High School suffered a power outage. The Hudson City School District has been informed there is currently a power outage in the City of Hudson affecting different parts of the area. Natural sunlight is currently allowing our staff to conduct a normal school day at Hudson Junior/Senior High School. At this moment, Montgomery C. Smith Elementary School still has power and is conducting a normal school day.

The District is currently working with its electric provider to find a resolution to the issue. We will communicate next steps when the information is received.

Thank you very much for your cooperation and understanding.

Sincerely,
Dr. Juliette Pennyman
